

Associate Veterinarian

Located in Alabaster, Alabama, Kent Farms Animal Hospital will be opening in July of 2020 and will be staffed by a highly motivated, compassionate, and dedicated team of veterinary professionals. Our practice owners take pride in a positive hospital culture and encourage a proportional work-life balance of our team members. We are committed to providing the best in small animal care for our clients and their pets, while offering reasonably-priced comprehensive medical, surgical and dental care. Our doctors will see patients Monday-Friday from 8a-6p and Saturdays from 8a-12p. We are seeking an experienced associate to join our owner veterinarian as an associate veterinarian in late summer of 2020. Our ideal candidate embraces Fear Free techniques and has a positive can-do attitude and leadership mentality and is confident working independently in medicine in a high-volume hospital, performing multiple surgical and dental procedures weekly on a dedicated surgical day. We reward your excellence with a competitive compensation and benefits package, no after-hours emergency duties and rotating weekend schedule. We are open to part-time or full-time availability.
