

Associate Veterinarian

Located in Gardendale, Alabama since 2007, Mercy Animal Hospital is staffed by a highly motivated, compassionate, and dedicated team of Fear Free trained and certified technicians. Our practice owners take pride in our positive culture and encourage a proportional work-life balance of our team members. We are committed to providing the best in small animal care for our clients and their pets, while offering reasonably-priced comprehensive medical, surgical and dental care. Our doctors see patients Monday-Friday from 8a-6p and Saturdays from 8a-12p. We are seeking an experienced associate to join our team of two owner veterinarians and three associate veterinarians in late summer 2020. Our ideal candidate embraces Fear Free techniques and has a positive can-do attitude and leadership mentality and is confident working independently in medicine in a high-volume hospital, performing multiple surgical and dental procedures weekly on a dedicated surgical day. We reward your excellence with a competitive compensation and benefits package, daily access to multiple DVM mentors, no after-hours emergency duties and minimal weekend requirements. We are open to part-time or full-time availability.

Our Hospital

- Modern facility with 5 exam rooms, treatment area, surgery suite and boarding facility
- Newly upgraded in-house laboratory capabilities for selected blood chemistries (IDEXX system), urinalysis and sediments, including Catalyst One, Catalyst Dx, Procyte Dx, Snap Pro Readers and SediVue Dx. We also have a close association with IDEXX external full-service clinical and pathological laboratories
- Newly updated IDEXX digital radiology and Midmark digital dental radiology
- In house ultrasound available, in addition to access to traveling ultrasonographer
- Orthopedic surgical equipment availability
- Companion cold laser
- Inovadent dental cart
- Excellent surgical monitoring capabilities
- Complete in-house pharmacy with a large inventory of established pharmaceuticals, including many of the newest products
- AVImark Veterinary Software System (with terminals in exam rooms and throughout the hospital)

- Access to local specialists for referral, including internal medicine, ophthalmology, dermatology, specialty surgery, as well as overnight emergency care facilities

Our Community

Gardendale is located 10 minutes north of Birmingham, directly off of I-65. The community has a population of more than 14,000 full-time residents with a median age of 43. This progressive city that has retained its renowned small-town appeal, has experienced a growth rate in the past 10 years due to its superb business and residential climates, increasing retail and accommodation options, a stable local economy, the inspired leadership of our city and county governments and a wide range of services including excellent schools, outstanding medical care, employment opportunities, affordable housing, and much more.

Please send your resume, including a cover letter to Heather Todd, Practice Manager
