

Are you an experienced Veterinary Technician or Licensed Veterinary Technician seeking a position with a state-of-the-art practice who treats their staff members as family? Then look no more! Mercy Animal Hospital is seeking an experienced veterinary technician or LVT who is looking for a full-time position in a modern, fast paced and positive work environment. At Mercy we utilize our vet techs to the fullest of their capabilities in all aspects of patient care, client education, anesthesia, surgery, radiology and laboratory testing.

In this role you will:

- Work closely with our clients and their pets
- Provide patients with a high level of supportive care
- Assist veterinarians in providing care for pets including physical examinations, diagnostic and treatment procedures, pre-operative, surgical assistance and post-operative care, and hospitalization
- Work independently and as a team in an organized and efficient manner, handling multiple cases on a daily basis
- Possess a strong working knowledge of pharmaceutical drugs and patient support

Requirements:

- Veterinary Technician certification or at least 1-year experience working in a veterinary practice as a veterinary technician or assistant
- Availability to work a rotation of weekends and holidays is a requirement

As an employer, we will provide you:

- Competitive Salary
- Continuing Education
- Paid Time Off
- Veterinary Services at a Reduced Rate
- Retirement Plan

Mercy Animal Hospital is a small animal practice with state-of-the-art equipment offering wellness and preventative medicine, vaccinations, internal medicine, digital radiology, dental care as well as boarding and grooming services. We are a drug-free workplace and an equal employment opportunity employer.
